

A Legacy Christmas

The Legacy Christmas party is next Sunday, December 17th and the baking has already begun (and yes, Rosemary's famous ham will be there as well!). Festivities will start at around 2p.m. with the Secret Santa Sock Exchange and lots of food, music and fun!

Many people have asked what the ponies would like for Christmas, which we really appreciate. The following are just a few of their Santa wishes....

Stormy – Rubber feed pan and Nickers horse treats.

Dippy – Waterless shampoo, MSM gel and Satin Sheen.

Penny – Satin sheen...a Costco size? And a salt rock.

Icy & Raisin – Shurgain senior feed and soft treats i.e. unsweetened apple sauce.

Cleveland – Carrots, carrots and more carrots.

Dakota – Nickers horse treats.

Misty – Stable blanket with fill (size 54"). And timbits.

Kitten – Bananas and a salt rock.

Summer – Uninsulated 75"/76" rainsheet and halter fuzzies.

Franny – A small hole hay net.

Carrot – A small hole hay net.

Katie – Insulated rain sheet 72"-74" and a breakaway halter.

All the ponies are also happy to share veggie oil, baking soda and gift cards for Greenhawk and TSC 😊.

HAPPY HOLIDAYS!
